Labour Weekend Update: Very Exciting !!!

ONLY FOR 8 BALL CLUB MEMBERS .

We have made bookings: for 12 people. We are leaving on Saturday 24th October at 9 am sharp, and back Monday 26th *sometime*. It is on a first in basis. The Group Booking works out at \$35 per head per night (2 nights \$70). **\$20 per head with each person booking to be paid to Margaret Z.** (no refunds)

If we know who wants to go by this week we may be able to increase our numbers. With it being labour weekend Motels are filling up quickly. We would like to organise for all players to be staying in the same accommodation for convenience. We would also like to organise transport and places to visit and entertainment. *If you miss out because you hesitate then it may well be too late, your problem.* It has been ages since we have had a group trip so want this to be a memorable one. **FINAL— When bookings filled.**

We are **fund raising** to go towards our accommodation, and the more we do the better the cost. This Saturday outside the Warehouse we have a sausage sizzle, so if you can help great, otherwise come and buy 6 sausages. We will be running the spinning wheel and also extra raffles. We would like **you to bring along an item of groceries** to go towards the end of the month raffle. Some members at their own cost, will be donating Meat prizes for the extra raffles so make sure **you support** it please.

10 WAYS TO TERRORIZE A TELEMARKETER

HEY ITS PAY BACK TIME

10. When they ask "How are you today?" Tell them! "I'm so glad you asked because no one these days seems to care, and I have all these problems; my arthritis is acting up, my eyelashes are sore, my dog just died."

9. If they say they're John Doe from XYZ Company, ask them to spell their name. Then ask them to spell the company name. Then ask them where their company is located. Continue asking them personal questions or questions about their for as long as necessary. Such as when did their company start, who was the founder, are they still with company?

8. Cry out in surprise, the name of the telemarketer name such as "Judy! Is that you? Oh my God! Judy, how have you been?" Hopefully, this will give "Judy" a few brief moments of pause as she tries to figure out where the hell she could know you from.

7. If MCI calls trying to get you to sign up for the Family and Friends plan, reply, in as SINISTER a voice as you can, "I don't have any friends... would you be my friend?"

6. If they want to loan you money, tell them you just filed for bankruptcy and you could sure use some money.

5. Tell the telemarketer you are on "home arrest" and ask if they could bring you a case of beer and some chips.

4. After the telemarketer gives their spiel, ask him/her to marry you. When they get all flustered, tell them that you could not just give your credit card number to a complete stranger.

3. Tell the telemarketer you are busy at the moment and ask them if they will give you their HOME phone number so you can call them back. When the telemarketer explains that they cannot give out their HOME number, you say "I guess you don't want anyone bothering you at home, right?" The telemarketer will agree and you say, "Now you know how I feel!"

2. Insist that the caller is really your buddy Leon, playing a joke. "Come on Leon, cut it out! Seriously, Leon, how's your momma?"

And first and foremost:

1. Tell them to talk VERY SLOWLY, because you want to write EVERY WORD down.
